

## About Procurement Department

We are looking forward to introduce **OSHIDA PETROCHEMICAL PRODUCTS (OSHIDA)** as your partner and supplier for industrial raw materials and equipment. The Procurement Department of OSHIDA was founded in Turkey to establish a workable tool for the industrial Market.

Our main focus is on the supply of chemicals, catalysts and equipment for the following industries:

- Oil
- Gas
- Petrochemical
- Refinery

OSHIDA is your expert for a wide spectrum of services linked to international trading. With our own logistical department, we are able to handle also dangerous goods, goods with special requirements like ISO-Tank Containers or reefers. Attached to this short introduction you may find a shorted overview of brands and Products OSHIDA is able to provide. We hope that we could raise your interest and are looking forward to hear from you soon.

*A global raw materials supplier!*

OSHIDA is the Turkey firm that specializes in the marketing and trading of petroleum, petroleum products, fertilizers and other raw materials globally. Headquartered in Istanbul, OSHIDA has 24 offices around the world, including in important trade market locations such as Dubai, Brussels, England, China and Russia. OSHIDA has regular and long-term business partners around the world and promotes their product first in Turkish market then its surrounding countries and thereafter, worldwide with its 24 international offices. OSHIDA Works on a partnership basis and has more than 100 exclusive business partners worldwide and always works with its partners on the base of transparency and makes its partners' products unique brands in the region.

# CHEMICAL, CATALYST & LABORATORY

**1. Molecules Sieve**

Brands: Arkema, CECA, UOP, Zeochem

**2. Arsine Removals**

Brands: Clariant, Axens, UOP, Sinopec

**3. Dimethyl disulfide**

Brands: Arkema, Chevron phillips

**4. TEAL**

Brands: Friends, Akzonobel

**5. All of Catalysts**

Brand: J.M., Clariant, Axens, Sinopec

**6. Compressor & Lubricant Oil**

Brand: Shell, Total, Sonneborn

**7. Antioxidant**

Brand: Chinese brands, Songwon, BASF

**8. Laboratory Equipment**

Brand: Varian, Proton, Normalab

<b>A</b>	<b>M</b>
Activated Alumina	Magnesium Ethoxide
Alumina Balls	Magnesium Stearate
Antioxidant	Mineral Oil
<b>B</b>	Mineral Oil Monoglycerides
Butylchlorde	Molecular Sieves
<b>C</b>	Mono-2Ethyl-Hexyl Amine
Calcium Stearate	Morpholine
Cation Resin	<b>N</b>
Catalysts	NMP
Ceramic Ball	<b>O</b>
Ciclohexylamine	Oils
<b>D</b>	<b>P</b>
Dibenzoyl Peroxide	Pentane
Dibutyl Peroxydicarbonate	Potassium Hydroxide
Dicetyl Peroxydicarbonate	<b>R</b>
Dicumyl Peroxide	Resin
Didecanoyl Peroxide	<b>S</b>
Diethylaluminium Chloride	Silicon Oil
Diethylaluminium Ethoxide	<b>T</b>
Dilauroyl Peroxide	Tbc
Dimystryl Peroxydicarbonate	Tert-Butyl Peroxy-2-Ethylhexanoate
Di-Tert-Butyl Peroxide	Tert-Butylperoxy 2-Ethylhexyl Carbonate
Dnbp	Tert-Butyl Peroxyacetate
Dstdp	Tert-Butyl Peroxybenzoate
<b>E</b>	Tert-Butyl Cumyl Peroxide
Ethylaluminium Dichloride	Tert-Butyl Hydroperpxide
<b>F</b>	Tert-Butyl Peroxydiethylacetate
Furfural	Tert-Butyl Peroxyisobutanoate
<b>G</b>	Tert-Butyl Peroxyisopropyl Carbonate
Grease / Vaseline oil	Tert-Butyl Peroxyneodecanoate
<b>H</b>	Tert-Butyl Peroxy-3,5,5-Trimethylhexanoate
Hexane	Tetrahydrofuran
Heptane	Tinuvin 326
<b>I</b>	Tinuvin 327
Irgafos Tnpp	Tinuvin 622
Irgafos 168	Titanium Tetrachloride
Irganox Ps 802 FI	Titanium Propoxide
Irganox 1010	Tributylaluminium
Irganox 1076	Triethylaluminium
Irganox 1330	Triisobutylaluminium
Isoprenylaluminium 70 % In Hexane	Trioctylaluminium
<b>L</b>	<b>W</b>
Lubricants	White Oil
	<b>Z</b>
	Zinc Oxide
	Zinc Stearate

**Noted: The above list is part of our products. Due to our influence and extensive connections in European and American companies, we are ready to supply any kind of goods.**
